

➤ Gift Aid it!

- Did you know that using *Gift Aid* means that for every pound you give, a charity gets an extra 25p, helping your donation go further?
- ESTA is a registered charity so your subscription to ESTA can be counted as 'Gift Aid' to ESTA. This means that for every £10 you give ESTA, the charity can reclaim another £2.50.
- To 'Gift Aid it' you should be paying your subscription personally and paying an amount of UK income tax &/or Capital Gains at least equal to the tax ESTA reclaims on your subscription (and you should not be personally reclaiming tax on your ESTA subscription).

If you would like to arrange to *Gift Aid* your current and any future subscriptions, then please fill in the slip below and return it to:
